The board of directors (the “Board”) of the Company wishes to inform the shareholders of the Company (the “Shareholders”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group (the “Management Accounts”) for the year ended 31 December 2021 (the “Reporting Year”), the Group is expected to record an unaudited profit attributable to the equity holders of the Company with an amount ranging from approximately RMB157,000,000 to RMB207,000,000 for the Reporting Year, which would be a significant turnaround from loss to profit as compared to the loss attributable to the equity holders of the Company of approximately RMB215,648,000 recorded in last year.
